

Your Candy Company!

Help Us To Support  
The  
Society for Animals in Distress

## WHY NOT....

- Thank each customer for their patronage, in the most novel way
- Sweeten each customer's purchase and visit to your business
- Add a personal touch to your customer's buying experience
- Upgrade that charity "tin can" with something exclusive, and
- Help fulfil the dreams of children with life-threatening illnesses

## IT'S REALLY SIMPLE .... HERE'S HOW

Allocate us just 25cm of unused countertop or floor space  
We'll install our 1920's antique candy dispensing machine  
Then choose the candy brands your customers want

## EVERYBODY LOVES A CANDY

After paying for their purchase your customer simply turns the handle of the candy machine which instantly dispenses a few complimentary pieces of their favourite candy, and at your customer's discretion, they can drop a coin in the machine in support of Animals in Distress.

## WHAT DOES IT COST?

The cost of each "Customer Compliment" is negligible when considering what your customers are worth to your business. For example, if you paid 500 "candy compliments" a month it would cost you no more than 65c each. Are your customers worth just 65c a compliment for each purchase they make? ABSOLUTELY!

## OUR SERVICE OFFER

Candy machine rental is just R79-00 a month payable in advance plus a minimum order of four sachets of candy placed from our candy menu at least once every three months  
We deliver to your door within 3 days of your order, at no extra charge  
You hold the key to the machine for easy refills as and when required  
And there's no contract or risk to you whatsoever

## CANDY MENU

| BRAND                   | Candy Type          | Sachet Size | Pcs per Dispense | Approx # of Dispenses | Price per Sachet | Cost per Compliment |
